Oral Presentation Component

PLEASE CAREFULLY REVIEW THE RULES AND REGULATIONS REGARDING THE ORAL COMPONENT COMPETITION.

Instructions, Scenario, and Rotation Schedule

The oral component is mandatory, and all teams participating in the Pennsylvania Envirothon are required to participate.

Oral Component presentations will be conducted via Zoom on Tuesday, May 17 through Friday, May 20, 2022.

All registered teams will be provided with Oral Presentation Component Instructions and a Presentation Schedule on **Friday, May 6, 2022**. Teams must review this schedule so they are aware of their scheduled “live” Question & Answer session in front of a panel of judges via Zoom.

If your team is unable to present at its scheduled time, please contact Jason Winey, Site Logistic Chair, at 570-837-3000 ext. 3 as soon as possible.

We will try our best to reschedule the team’s presentation time.

Oral Component Training Videos

The Pennsylvania Envirothon partnered with Jennifer Handke of “Consulting with a Purpose” in preparing a series of four videos, each approximately 10 minutes, to give you tips and tricks for preparing and delivering a powerful presentation.

The videos are designed for you to watch one at a time, in order, at your own pace, for a complete Powerful Presenting training. Once you’ve viewed them in order, feel free to go back and review again for specific help or a refresher.

The passcode to access the videos is States2022. The videos are found on the Station Training – Oral Component page of the Pennsylvania Envirothon website.

These videos may focus on Envirothon, but you can apply these presenting skills to any presentation that you give.

NCF-Envirothon

The National Conservation Foundation (NCF) Board of Trustees and the Ohio Federation of Soil and Water Conservation Districts will host the [2022 NCF-Envirothon](#) competition July 24 - 30, 2022 at Miami University, Oxford, Ohio. The current environmental topic “Waste to Resources” is the main focal point of the 2022 competition. The 2022 NCF-Envirothon is an innovative competition, with quality training, testing, and commitment to provide students with the knowledge and skills to change the world.

Pennsylvania Envirothon Rules and Regulations – 2022 Addendum

The following is an Addendum to the Pennsylvania Envirothon Rules and Regulations to reflect the 2022 Virtual Oral Component Competition.

These rules and regulations will be followed in place of the noted sections:

Competition Regulations

1. For liability reasons and fairness, only registered participants (team members and advisors) are permitted access to the official competition information.

Oral Presentation Component

The 2022 Virtual Competition problem-solving oral presentation component is conducted as follows:

1. All teams will compete in the oral presentation component. In order to complete the full 2022 State Envirothon, they **MUST** participate in the oral presentation component, or they will receive a zero (0) for 1/6th of their score.
2. The scenario for the oral presentation is posted to the Pennsylvania Envirothon Station Training – Oral Component website page on Friday, May 6, 2022, no later than 12:00 p.m. (noon).
3. Advisors shall **NOT** prepare their team’s presentation but may provide general guidance; such as review the rubric and clarification of the scenario. Questions about the content of the scenario will not be answered by representatives of the Pennsylvania Envirothon (i.e., interpret the scenario on your own).
4. The oral presentation component will take place Tuesday, May 17 through Friday, May 20, 2022. Presentations will be pre-recorded, and students will join judges to participate in the viewing of their recorded presentation and a live Q&A session. All five (5) team members must participate.
5. Slide and Oral Presentation Format - The 2022 Pennsylvania Envirothon will recommend using PowerPoint or Google Slides for the Oral Presentation Component segment of the competition.
 - a. The presentation may not be longer than ten minutes. Any presentation longer than ten minutes will not be accepted.
 - b. There is no minimum or maximum number of slides required, but the presentation should be created with the 10-minute time limit in mind. When preparing the presentation, teams should take care to ensure that their solution is clear and concise.
 - c. Although teams should **NOT** state the name of their school during their presentation or on any accompanying slides, they may include the names of the team members. To ensure no bias, perceived or real, teams are assigned a number and must refrain from referencing their school/county during the competition. Team members are required to wear appropriate clothing that does **NOT** identify the origin of their school or county. This includes not wearing items with a school, town, or county-related logo/name at any time during the oral presentation segment.
 - d. Team-created sound effects and video clips are allowed in the presentation.
 - e. Team-created graphics and photos are allowed in the presentation.
 - f. Other photos and graphics may also be included (not team-created) but must be used only in accordance with each photo’s associated usage rights. Each non-original photo **MUST** be cited appropriately to avoid copyright infringement.
 - g. All team members must participate in the creation of the presentation, and participate

in/speak during the presentation recording.

- h. The presentation must be saved in MP4. Presentations will be viewed on computers with Windows. **After team registration an email will be sent to the Advisor and team captain with directions to upload presentation videos to their PA Envirothon Google File.**

6. Oral Presentation Time Limit/Q&A

- a. Time limits will be enforced, and any submitted presentations that go over ten minutes will not be accepted.
- b. Judges will have ten minutes for Questions and Answers.

7. Presentation Deadline

- a. **Pre-recorded presentations must be submitted no later than 8:00 a.m. on May 16, 2022, to Pennsylvania Envirothon.**
- b. Presentations submitted after the posted deadline will not be viewed or scored. If a team experiences technical difficulties when submitting their presentation, they must inform Pennsylvania Envirothon via phone or email PRIOR to the submission deadline to determine alternate submission methods.

8. Scoring

- a. The oral presentation is scored by a panel of judges based on the rubric provided along with the problem scenario.
- b. The oral presentation is worth 1/6th of the team's total competition score.

Pennsylvania Envirothon Rules and Regulations

REVISED - September 13, 2019

Eligibility Requirements

9. Team members must be enrolled in grade levels nine (9) through twelve (12) or in an equivalent non-traditional school program ranking. *Students can only participate in a maximum of four (4) high school state Envirothon events.*
10. Each team or team member shall participate in only one (1) county event per school year.
11. All members on a team must represent the same educational unit (public, private, parochial, non-traditional school).

Team Requirements

12. County conservation districts, or the PA Envirothon Board-approved sponsoring organization, must register a team of exactly five (5) members and one (1) to two (2) advisors/chaperones (non-student adult, 20 years or older) in order to compete in the state-level event.

Each team is encouraged to arrange for a male to advise/chaperone male team members and a female to advise/chaperone female team members.

13. Each team must start the state competition with five (5) team members. The team can finish with four (4) but no fewer than four (4) members. The start of the state competition is defined as the completion of the team's official onsite registration.
14. Substitution requirements:
 - a. Absolutely no substitutions can be made after the start of the state competition.
 - b. In the event that a team chosen to attend the Pennsylvania State Envirothon cannot send five (5) original team members that competed together at the county level, the advisor, with approval of the county conservation district or the PA Envirothon Board-approved sponsoring organization, is permitted to make substitutions for one (1) or two (2) of the original five (5) team members only. Each team must be made up of at least three (3) members of the original team and no more than five (5) total members. All members and substitutions must represent the same educational unit and have competed in the same county event.
 - c. In the event that no substitutes can be found, a team may start and participate with four (4) members as exhibition only. Teams competing as exhibition only will not be eligible for ranking or prizes.
 - d. In the event a county's winning team cannot attend the state event, the next highest scoring county team may be sent in its place so long as the Pennsylvania Rules are met, and that team meets the requirements of the county conservation district or the PA Envirothon Board-approved sponsoring organization. The county conservation district or a PA Envirothon Board-approved sponsoring organization's decision is final.
15. Non-traditional schools (home, cyber, and charter schools) may form their own team specifically for participation in the Pennsylvania Envirothon, and they must petition a county conservation district or a PA Envirothon Board-approved sponsoring organization for recognition to participate in an Envirothon event. All team members must participate in the same county event in order to participate at the state level. How non-traditional school teams are organized to participate in a county Envirothon event is at the discretion of a county conservation district or a PA Envirothon Board-approved sponsoring organization.

Competition Regulations

16. For liability reasons only registered participants (team members and advisors/chaperones) are permitted on the competition/event site.
17. Each county team will rotate AS A TEAM through the testing stations (Aquatic Ecology, Forestry, Soil and Land Use, Wildlife, Current Issue, and Discovering Energy [non-testing station]).
18. Advisors/chaperones are not permitted on or near the testing circuit during the event. Advisors/chaperones will be given an opportunity to tour the testing stations during the official advisor tour.
19. Any team, team member, team advisor, or team chaperone discovered on, near, or around the testing circuit before the competition begins shall be subject to disqualification.
20. All oral component scores and test scores are final. Tests and scoring materials will remain the property of the Pennsylvania Envirothon Board of Directors.
21. Envirothon members shall only use reference and resource materials provided by agency or Envirothon representatives at the stations. No personal reference or resource materials are allowed on the testing circuit.
22. All team members and advisors/chaperones must wear Envirothon-provided identification tags at all times during the event.
23. NO use or possession of electronics (primarily cell phones or smart watches) during field testing competition is permitted. During Oral Presentation only a laptop/computer is permitted for the purpose of presenting and attending the ZOOM.
24. Media personnel (press, camera crew, and agency personnel) will be provided, in advance, with an identification badge.
24. No backpacks or similar cases shall be taken on the testing circuit. A small container for carrying personal items, (i.e., lip balm, medications, sunscreen, etc.) is allowed.
25. The winning team at the Pennsylvania Envirothon is the team with the highest cumulative score, which includes scores from the five testing stations and the oral component. The oral component will be one-sixth of the total score.
 - a. Station tiebreakers – In the event of a tie at any given station, predetermined tie-breaking question(s) will determine the winner of that station.
 - b. Overall Score tiebreakers – In the case of an overall tie, the Forestry test score will determine the placement for the final scores in the Envirothon.
28. English shall be designated the official language of the Pennsylvania Envirothon. All written (field) tests and oral presentation scenarios shall be in English.
29. No pets of any kind may be brought on the site of the Pennsylvania Envirothon.

Pennsylvania's Representative to the NCF- Envirothon regulations

30. In the event Pennsylvania's winning team from the state level competition cannot attend the NCF-Envirothon, the next highest scoring team may be sent in its place.
31. The Pennsylvania Envirothon must register a team of five (5) members and one (1) or two (2) advisors/chaperones to compete in the NCF-Envirothon.

The NCF-Envirothon rules require a mixed-gender team to have a male and a female advisor/chaperone, no exception.

Concluding Rules and Regulations

32. Any team involved with any infraction of the rules or inconsistencies shall be subject to disqualification. If any rule is suspected of being violated, the infraction shall be reported to the Pennsylvania Envirothon Board of Directors for action.
33. The Pennsylvania Envirothon Rules are subject to change by the Pennsylvania Envirothon Board of Directors. Any and all changes will be announced before the competition begins.
34. Any exception must be considered by the Pennsylvania Envirothon Board of Directors, and all decisions made by the Pennsylvania Envirothon Board of Directors are final.

THIS YEAR'S CURRENT ISSUE IS WASTE TO RESOURCE. WE ARE ASKING EACH ONE PARTICIPATING IN THE ENVIROTHON TO DO THEIR PART IN REDUCING WASTE.

PLEASE BRING YOUR OWN WATER BOTTLE AS WE WILL HAVE WATER AVAILABLE AT EACH STATION FOR REFILLS!

Camp Mt. Luther- DIRECTIONS

Mount Luther is located in central Pennsylvania in Union County near Mifflinburg, Pennsylvania. We are about 15 miles from Lewisburg and about 45 miles from State College, midway between Mifflinburg and Hartleton. The camp is north of Route 45.

From the north (Williamsport and I-80), follow Route 15 South to Lewisburg and turn west on Route 45, and continue through Mifflinburg on Route 45. Continue on Route 45 W until you come to Christ's United Lutheran Church (about 3.5 miles outside of Mifflinburg) which will be on your left. Follow the directions below.

From the south, follow Route 15 to about 4 miles beyond Liverpool. Turn west on Route 104 and continue to Middleburg and then Mifflinburg. Turn west onto Route 45 at Mifflinburg and go about three miles until you come to Christ's United Lutheran. Follow the directions below.

From the west, follow Route 45 from State College through Hartleton. Continue on Route 45 E until you come to Christ's United Lutheran Church, which will be on your right.

FROM CHRIST'S UNITED LUTHERAN CHURCH

If traveling on Route 45 West, you will turn right onto Pleasant Grove Road at the church. If traveling east, you will turn left onto Pleasant Grove Road. Look for the street signs. There are green and white signs with directional arrows for Mount Luther from the Lutheran Church all the way back to the camp. You will stay on Pleasant Grove Road until you come to Moll Road. There, you will take a left (again, there is a green and white sign at this "Y" in the road.) The camp is about 2.6 miles from Route 45.
